

Christmas 2021

Diaconia Poland | www.diaconia.org.pl

The people walking in darkness have seen a great light; on those living in the land of deep darkness a light has dawned. For to us a child is born, to us a son is given (Isaiah 9,1.5.)

The Love that touches every human being came into the world in the person of Jesus Christ, the Child born two thousand years ago in Bethlehem, who is God's awaited and promised Saviour.

May Christmas be an opportunity for the true joy, reconciliation and sharing of love. May the flame of the Christmas Eve candle be a testimony of mercy and the personal experience of another person next to us.

On behalf of the Polish Diaconia, we wish you a blessed Christmas and peace in the New Year 2022, may God give you strength and perseverance, protect you and bless you at all times.
