

Christmas 2020

**“The true light gives light to everyone
coming into the world.”**

John 1,9

Christ is the light that shines in the darkness;
a light that brings life and hope.

May this light be switched on in every human heart.
May our Savior grant us peace to make the light
visible and transformational for others.

On behalf of Diaconia Poland, we wish you
a blessed Christmas and peace in the New Year 2021.

May Christmas and the coming year become
an opportunity for real joy,
deep celebration and love sharing.
