

☀ Summer is just around the corner. You don't have any plans yet? How about a summer camp with ASF? For over 60 years, Aktion Sühnezeichen Friedensdienste (ASF) has been working as an organization for remembrance, understanding and human rights.

Every summer, people from 18 till 99 get involved in international encounters together: They work on a practical project and learn more about the history and people of the place in workshops and excursions. A summer camp - that's always something new, working and learning together, lots of languages and lots of fun. ASF bears costs for the accommodation, programme, catering and leisure activities.

Our summer camps support Jewish communities in Europe, help at memorial sites or get involved in political projects: from an exhibition, a memorial trail, research into those persecuted by the Nazis to maintaining a Jewish cemetery.
